

Research Bulletin

OF THE

National Education Association

VOLUME VIII

January to November, 1930

The Research Bulletin is issued by the Research Division, a section of the headquarters staff of the National Education Association. This division was created in February, 1922, for the purpose of conducting scientific studies of special interest to members of the teaching profession.

Bulletin One was issued by the Research Division in June, 1922, and *Bulletin Two*, in November, 1922. The first number of the *Research Bulletin* is Volume I, No. 1, January, 1923, entitled *Facts on State Educational Needs*. With Volume I, No. 1, the *Research Bulletin* became a regular publication, issued five times each year—January, March, May, September, and November. The Research Bulletins composing Volumes I, II, III, IV, V, VI, VII, and VIII are listed on the inside back cover of the November, 1930, Bulletin.
